Why choose Google TV

No more jumping between apps

Streaming, live TV, music, and more.
Organised for you.

Curated recommendations

Find your next favorite movie or TV show.

Just ask Google Assistant

Search across apps with your voice to find what you're looking for.

Build your watchlist

Add movies and shows right from your TV, phone, or Google Search.

Easy access to more than 10,000 apps.

Everything you stream, all on one screen.

Create a space for kids that's all their own, with watch limits, bedtimes and more.

Personalised

Personalised entertainment for everyone in your home.
